MESSAGE FROM OUR TENANT INVOLVEMENT CHAMPION

I am pleased to introduce the 2019 Oaklee calendar for our tenants. The calendar has a new look and is the work of our committed tenants and staff who sit on our dedicated Editorial Team. I would like to thank all involved for their contribution and support.

I hope you will agree the new design is modern, clear and easy to use. Every tenant will receive the calendar and I trust you will all make great use of it.

We would encourage you to join our estate walkabouts in 2019, they run from May-November and are an opportunity to meet your local Housing staff, identify issues, consider environmental improvements and build stronger communities. We want you to share your views to make your neighbourhood a better place to live.

Every best wish for 2019.

Notes:

Tackling Anti-Social Behaviour Together

We take Anti-Social Behaviour (ASB) seriously; it can have a negative effect on the quality of life of individuals and communities.

ASB can include issues such as excessive noise or threatening behaviour. It is therefore important to report your concerns about ASB at an early stage.

You can report ASB issues to Oaklee Housing on **01 400 2650** or email enquiries@oakleehousing.ie

Save Energy, Money and the Environment

Energy costs are a major element of any household running costs. Oaklee has launched a range of energy leaflets. The leaflets cover topics to help tenants conserve energy including the different types of heating control for central heating systems. All of these leaflets are available to download from the Oaklee website within the Energy section www.oaklee.ie/energy
